Amber Lan

AI marketing engineer and GTM engineer · Auckland, New Zealand

amber.lan.growth.digital@gmail.com
linkedin.com/in/amberlan · flowai.co.nz/about

I run a whole marketing function on AI agents I build, and I keep the judgement on everything that ships: positioning, launches, content, executive voices, AI search, outbound, events and reporting. Ten years in marketing, the last three building the systems that run it. English and Mandarin, both native.

EXPERIENCE

Share of the work running on systems, by hand to by agent

Apr 2026 to now

AI Product Marketing & Growth Lead

Novamind Labs · Auckland

Founding marketer for Novamind Labs, an AI-native B2B SaaS company. The whole function runs on agents I built: category and positioning, the launch, content, three executive voices, events and reporting.

1 person
the entire marketing function

Jun 2025 to Apr 2026

Senior Marketing Manager

Ipiphany AI · Auckland

Built the demand and ABM engine from zero for a B2B SaaS company entering a new category. Architected HubSpot from scratch, and automated brief to draft to publish across HubSpot, Apollo, HeyReach and n8n.

70%+
less content production effort

Dec 2021 to Jun 2025

Digital Marketing Specialist

Sime Motors New Zealand · Auckland

Performance marketing and attribution for a multi-brand automotive group. Built automated attribution and reporting with GA4 and Google Tag Manager, replacing more than ten hours a week of manual work.

paid performance, cost per acquisition

Sep 2020 to Dec 2021

Digital Marketing Manager

Rockfort Markets

Owned the full marketing function for a regulated financial-services brand: strategy, budget, the website rebuild, SEO and omnichannel.

+150%
organic traffic in 12 months

Jan 2019 to Sep 2020

Consumer Marketing Specialist

DFS Group · Auckland

Luxury travel retail across New Zealand and APAC. Integrated campaigns across paid social, CRM, email and in-store, and bilingual growth for Mandarin-speaking customers on WeChat, Weibo and Xiaohongshu.
